25X1 f) Noted a memorandum from [redacted] indicating we  
25X1 might expect a letter from the Department of the Army refusing  
to take over [redacted] and directed that:

1) We attempt to hurry up the receipt of  
this letter;

25X1 2) He be furnished a memorandum indicating  
all areas in which we conduct [redacted]-type  
programs;

3) That the Killian Committee be made  
aware of Army's refusal to take over this program.  
ACTION: DD/P and IG

25X1 g) Noted a cable (OUT 51796) respecting the [redacted]  
25X1 situation and said while we should get in position to be able  
to send [redacted] directed at the Soviet soldiers in Hungary,  
he did not want the button pushed without his final approval.

25X1 h) Asked AD/CI to bring up to date our memorandum [redacted]  
25X1 [redacted] since he believed the President might have an opportunity  
to read it in the near future. ACTION: AD/CI

Mr. Kirkpatrick:

a) Noted that Frank Nash had been appointed by the  
President to survey the US overseas bases situation and  
undertook to furnish the Director a memorandum on this in  
connection with his appointment with Mr. Nash on Friday at  
4:30.
